

Availability of Events at the Performance Pavilion

The Performance Pavilion is a spectacular and elegant outdoor performance space and the best bit; it's ***free of charge to use!***

This facility provides an excellent venue for the New Milton community to showcase entertainment and performances including music, drama, dance, shows, exhibitions, outdoor gym classes, education, demonstrations and cultural events.

Perhaps you are planning an event this year and would like to incorporate the pavilion as part of your performance? Please get in touch and we'll happily discuss your plans and ideas with you.
