Parking is available for a car or minibus.

A map to our sunny site in Barton on Sea is on the reverse.

Please note this is not a day care service and a carer should be present as we do not know your friends and family to safely care for them.

This is a working allotment site and there is also no toilet facility.

If you would like to volunteer for us and assist us in opening for more days during the week please let us know.

If you would like to hold a regular group at the site, please email an outline of the group you would like to run and your contact information.
