

Stay Safe!

Many young people in New Milton and the surrounding area have been very **concerned** and **threatened** by the very small minority of people using **illegal substances** or even dealing. If you happen to **witness** the dealing of drugs, you can **immediately** and **anonymously** report this to the police using the **999** number. If you have any information of **anti-social, or threatening behaviour**, that is **not** an emergency, you can pass on that info via the **101** number.

Let's keep New Milton a Safe Place to Live, Work and Play!
