

Stay Safe!

Many young people in New Milton and the surrounding area have been **concerned** and **threatened** by the small minority of people using **illegal substances** or dealing. If you happen to witness the dealing of drugs, you can **immediately** and **anonymously** report this to the police using the **999** number. If you have any information of **anti-social, or threatening behaviour**, that is **not** an emergency, you can pass on that info via the **101** number.

Again, ***there is no need to give your name.***

Let's keep New Milton a safe place to Live, Work and Play!

NEW MILTON YOUTH NEWS

NEW YOUTH CENTRE

SPUDworks is a charity based in Sway that specialises in helping young people develop creative buildings. In workshops throughout March, we've been getting your opinions on what a **New Youth Centre** should look like. **Your designs** will be passed on to an architect who will draw up the plans. They will continue to work on this alongside the **Youth Council**. We hope that by August we will have a 3D model of what the New Youth Centre will look like, which we'll display. **Check the noticeboard at the skatepark for the latest updates.**

Youth Music and Cultural Festival 10th August 2019

This will be the start of **fund-raising** for the **New Youth Centre**. If you're interested in having a **stall**, or if you would like to **perform**, or if you would like to **volunteer to help on the day** of the festival contact Silma on 07392 090124 or email silma.ramsaywack@newmiltontowncouncil.gov.uk

Don't Seek To Die by Ashby McGowan

I have seen, as you now see it, the path ahead, looking endless, without hope. So I know how hard it can be, in life, just trying to cope.

Climbing a hill that forces you on to your knees. No matter how hard it is, struggle on, please!

Look for goodness in each thing that you find, Find meaning in the day-to-day grind.

For this world needs you, And the things that you do.

Don't seek to die.
