

MENCAP MURAL – BOOTS

The proposed date for the unveiling of the MENCAP mural on the northern elevation of Boots has been set for Wednesday 16th November at 11am with Nigel Atkinson Lord Lieutenant of Hampshire and Cllr Alan O’Sullivan, Chairman of NFDC in attendance. Light refreshments will then be available at the Town Hall for invited guests from 11.30 – 13.00 hours.

The tiles for the mural itself have now been finished and they will be mounted onto weatherproof boards over the next few days. Sally Ovenden, one of the ceramicists involved with the project, will be assisting in setting out the tiles to ensure everything is in the right place! The mural will then be fixed to the wall with heavy duty fixings by the Estates team during Monday 14th November and then covered until the unveiling.

Below are some of the finished tiles, and how they are likely to look when mounted, along with how it might look when fixed to the wall.
