Hampshire Minerals and Waste Plan: Partial Update - Proposed Submission Plan

Regulation 19 Consultation Response Form

Introduction

Minerals and Waste Planning Authorities have a statutory responsibility to prepare and maintain an up-to-date Minerals and Waste Local Plan. Hampshire County Council, New Forest National Park Authority, Portsmouth City Council, South Downs National Park Authority & Southampton City Council (collectively referred to as the 'Hampshire Authorities') are working to produce a partial update to the Hampshire Minerals and Waste Plan (the 'Plan') which will guide minerals and waste decision making in the Plan Area up until 2040.

This response form allows you to provide your views on the Hampshire Minerals and Waste Plan Partial Update Proposed Submission Plan (the 'Plan') document.

This consultation is open from **9am 9 January 2023 until 11:59pm 5 March 2023**. If you have any queries, or require this form in an alternative format, please contact hmwp.consult@hants.gov.uk.

About this consultation

Privacy notice

The Minerals and Waste Policy Team at Hampshire County Council is collecting information about you on behalf of the Hampshire Authorities (Hampshire County Council, New Forest National Park Authority, Portsmouth City Council, South Downs National Park Authority & Southampton City Council) in order to consult on the Hampshire Authorities' proposed minerals and waste planning policy.

We will collect your name, postal address, and any other contact information you provide as well as details of your representation. A name and postal address **must be provided** for the comments to be accepted. Anonymous or confidential representations, without the required personal information, cannot be accepted. We will accept representations to consultations and use the information to draft planning policy documents and contact you in the future regarding these documents.

The legal basis for our use of this information is compliance of a legal obligation to which the Hampshire Authorities are subject. This is in relation to the Town and Country Planning Act 1990 (as amended) as well as the adopted Hampshire Statement of Community Involvement.

All representations received will be handled and made available to view publicly in accordance with the General Data Protection Regulations (2018) and the Local Government Act (1985) for the purposes of preparing planning policy documents until adoption. In accordance with national legislation and guidance, the name(s) of those making representations, will appear on our website. We will make every effort to remove other personal details including telephone numbers, email addresses and signatures prior to being uploaded.

We may share your personal information with the Hampshire Authorities, where it relates to the preparation of a jointly prepared planning policy document, as well as the Secretary of State (and appointed Planning Inspector) at the point a policy document (such as the Hampshire Minerals & Waste Plan: Partial Update) is submitted to government for public examination.

All representations received at Proposed Submission stage will be sent to the Secretary of State for consideration at the Public Examination undertaken by an independent Planning Inspector appointed by the Planning Inspectorate (PINS).

On adoption of the policy document(s), all representations will be removed from the website. Electronic and paper file copies of representations will be kept by the Hampshire Authorities for seven years in line with the relevant corporate retention period. All representation received will be handled and made publicly available in accordance with the Privacy Statement (found via this link) <https://www.hants.gov.uk/aboutthecouncil/privacy/land-planning-environment/minerals-waste-planning-policy>.

The above information is the specific privacy notice for this service. For more information about your rights in relation to your personal data, see the County Council's general privacy notice.

You have some legal rights in respect of the personal information we collect from you. Please see our website [Data Protection page](#) for further details.

You can contact Hampshire County Council's Data Protection Officer at data.protection@hants.gov.uk.

If you have a concern about the way we are collecting or using your personal data, you should raise your concern with us in the first instance or directly to the Information Commissioner's Office at <https://ico.org.uk/concerns>.

Background

Minerals and Waste Planning Authorities have a statutory responsibility to prepare and maintain an up-to-date Minerals and Waste Local Plan. Hampshire County Council, New Forest National Park Authority, Portsmouth City Council, South Downs National Park Authority & Southampton City Council (collectively referred to as the 'Hampshire Authorities') are working to produce a partial update to the Hampshire Minerals and Waste Plan (the 'Plan') which will guide minerals and waste decision making in the Plan Area up until 2040.

The Regulation 18 Draft Plan Consultation ran for 12 weeks, between 8 November 2022 and 31 January 2023. The purpose of the consultation was to engage the Plan area's communities and relevant organisations and statutory bodies in discussions on managing minerals and waste to 2040. It also provided an opportunity to gather additional local evidence to help determine the Plan Partial Update's revised policies and draft site allocations.

The Regulation 19 Proposed Submission Plan is what the Hampshire Authorities believe is a sound (fit for purpose) Plan and intend to submit it to the Secretary of State. The Secretary of State will then appoint a Planning Inspector to examine whether the Plan is legally compliant and sound. All comments received to this consultation will be passed on to the Planning Inspector.

This consultation is being undertaken to collect views on the legal compliance and soundness of the Proposed Submission Plan. It also asks for feedback on the evidence base that is supporting the Plan.

The Plan document and the evidence base can be downloaded from the [Proposed Submission Plan webpage](#). It is recommended that you refer to them as you respond to this consultation.

In addition, the Consultation Statement outlines what changes have been made to the adopted Hampshire Minerals & Waste Plan and why. This document can also be downloaded from the [Proposed Submission Plan webpage](#).

Where an objection is raised against the content of the Plan, this must relate either to the Local Plan not complying with legal requirements, or it not being sound in relation of at least one of the Tests of Soundness. For definitions on the Tests of Soundness, please refer to the FAQs, which can also be found on the [Proposed Submission Plan webpage](#).

How to complete this form

A blank response form is provided overleaf (Response Page 1-2), please fill out these pages as per your desired response. They are followed by "About You" and "Equalities" sections.

Please copy and paste (or print off) a new set of response pages for each part of the Plan you wish to respond to. Only one "About You" section is required.

You do not need to include the current page and the previous pages in your final response, as they are for guidance.

A line is available for you to outline which document and section of that document you are responding to. For ease of interpretation, please be as descriptive as possible (such as using the policy number, paragraph numbers and/or site names) as to which part of the Plan document or supporting evidence documents you are responding to.

If your representation is about the **allocated sites** in Policy 20, your comments should be provided under Policy 20 - Local land-won aggregates.

If your representation is about a site that is not allocated, please comment on the Site Proposal Study, as part of the Evidence Base.

Please provide all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Planning Inspector, based on the matters and issues they identify for examination.

The About You section will collect your name, postal address, and any other contact information you provide as well as details of your representation. A name and postal address **must be provided** for the comments to be accepted. Anonymous or confidential representations without the required personal information cannot be accepted.

Please return your response form via:

- Email to: hmwp.consult@hants.gov.uk
- Post to: Minerals and Waste Planning Policy, Ell Court South, 3rd Floor, The Castle, Winchester, Hampshire SO23 8UH

HMWP Partial Update Regulation 19 Proposed Submission Plan Consultation Response

Plan policy, section or document that you are responding to:

POLICY 20 - LOCAL LAND-WON AGGREGATES

1. Do you consider this part of the HMWP is:

- Legally compliant (prepared in accordance with legislation) Yes No
- Sound (fit for purpose) Yes No
- Complies with the Duty to Co-operate
(prepared after engaging with neighbouring Authorities) Yes No

2. If you do or do not consider the above Plan policy, section or document to be legally compliant, sound and/or complies with the Duty to Co-operate, please explain your reasons for this:

The further requirements for Health Impact Assessments, Climate Change Assessments and the like will not satisfy this Council nor some of its residents. Again, we feel assessments will be managed to show acceptability and our residents will bear the impacts.

This leads us to object once more, in line with that on Reg 18 consultation response.

We are aware officers have to decide applications in the round with policies, and we are concerned that easy wins may be scored on for example, Biodiversity net gain but lost on protection of current ecology of the site.
