

ANNUAL REPORT OF THE TRUSTEES – WAR MEMORIAL RECREATION GROUND
(CHARITY NO. 301891) FOR THE YEAR ENDED - 31 MARCH 2025

In November, 106 years since the end of WW1 in 1918, we remembered all those who lost their lives in the 1st & 2nd World Wars and subsequent conflicts.

The year 2024 marked the 80th anniversary of the D-Day landings, the largest seaborne invasion in history. 11 Milton Parish men lost their lives supporting ground forces in Normandy on 6 June 1944. We remember all those who lost their lives.

We welcomed 99-year-old D-Day veteran Jim Justice, a Green Jacket who lives locally. Rifleman Jim Justice landed in Normandy, his platoon then marched to liberate Bayeux, encountering resistance and hand-to-hand combat. Last year, Jim visited commemorative events in Normandy with the RBL and had tea with the Royal Family.

In New Milton, we remembered all 223 local servicemen who lost their lives in the two world wars - 83 in WWI and 140 in WW2.

The names of all the servicemen who died in both wars appear on the Memorial. We also recalled 31 others who died as a result of WW2 bombings on the Town.

In total, over 250 local people lost their lives in the two World Wars.

Town Development Manager Report For Town Council Meeting 23rd June 2025

1. Neighbourhood Plan Review –

Neighbourhood Plan – Regulation 14 Consultation

The Neighbourhood Plan is now in the Regulation 14 Consultation period. March this year saw the Neighbourhood Plan go to informal public engagement, where we interacted with the public, opened discussion on the Neighbourhood Plan and welcomed comments on the proposed policies. Results from the informal public engagement were considered and used in the current draft plan. Regulation 14 consultation now opens comments from the public and from statutory consultees. The six-week period runs from 2nd June – 16th July 2025. Consultees are directed to the Neighbourhood Plans dedicated website, and a hard copy is held for public viewing at the 4 primary community locations in the town – Town Hall, Library, Memorial Centre and the Community Centre.

Engagement

Advertising is present in FOCUS magazine, New Milton Advertiser and Times print and Facebook, Town Council social media, Princes Publications, New Forest District Council newsletter, Town Council e-news, high street noticeboards and the Town Hall. Email communication reached statutory consultees at the start of the consultation period and posters reached post offices and business parks via a mail-out campaign. Other advertising can be found in New Milton Rugby Club Fun Day programme and New Milton Town Robins Tournament programme.
