

To get through the Coronavirus crisis, our community needs to pull together

Following the Government announcement on Saturday about the new Covid 19 guidance and restrictions, New Milton Covid Support Group are re-opening our service from Thursday 5th November.

Our phone helpline will be open initially from 9 am to 12 noon Monday to Friday, with neighbours staffing it; the answerphone is on at all other times and regularly checked.

We will continue to collect prescriptions and paid-for shopping orders (this hasn't really stopped). We feel that many people, having learned the first time round, will have systems in place and therefore will need our service less.

For those who have internet access we will run a 1-hour Zoom drop-in 5 days per week as a new service.

If you would like more information about our services from 5th November to 2nd December contact 01425 542019.
