

NEW MILTON NEIGHBOURHOOD PLAN

INFORMATION STATEMENT

A referendum relating to the adoption of the New Milton Neighbourhood Development Plan will be held on Thursday 6th May 2021.

A Neighbourhood Development Plan contains policies for the use of land in a designated neighbourhood area.

In 2015 New Milton Town Council ("The Qualifying Body") decided to produce a Neighbourhood Plan and public consultation has taken place on the draft Neighbourhood Plan. The designated Neighbourhood Plan Area is the whole of New Milton Parish (see map below).

There is a statutory process which must be followed for the making of a Neighbourhood Plan. The process involves holding a Referendum. The question, which will be asked in the Referendum is:

'Do you want New Forest District Council and New Forest National Park Authority to use the Neighbourhood Plan for New Milton to help it decide planning applications in the Neighbourhood Area?'

You are asked to vote either 'yes' or 'no' to this question.

If more than half of those voting in the referendum vote 'Yes' in response to the question above then the Neighbourhood Plan must be 'made' (adopted) by New Forest District Council and New Forest National Park Authority and the Neighbourhood Plan will be part of both planning authorities' Development Plans. This means that the Plan will be used in the determination of planning applications for the designated area of New Milton Parish.
