

Welcome to the Ballard Fairy Trail

This half mile fairy trail has
been inhabited by fairies!

It is an easy walk and there are several places to stop, take a break and enjoy your surroundings. As you walk along the path look carefully for their houses. Fairy houses are delicate, so you will need to be gentle and try not to disturb any fairies that may be inside. See how many you can find!!

You can download and print a map of the trail
and fairy door sheet on our website at:
newmiltontowncouncil.gov.uk

Please Remember

*Fairies are quite shy so you might need to look up, down
and around the trees to find their houses*

*The fairies share these woods with lots of animals, insects,
flowers and trees so please try not to disturb them*

*Remember to take your rubbish home with you so we can
keep the trail nice for everyone - including the fairies!*

**The trail can get quite muddy so you
might need your wellington boots**

Can you spot the fairy doors and windows?

Here are a few to look out for
