

We invite you to participate in the **New Milton**

PLANT A TREE

- Trees are essential for life
- They give us the oxygen we breathe
- They enhance our environment
- They are home to an abundance of wildlife
- They are essential in our fight against climate change and pollution

NOW'S THE TIME...

Our Plant a Tree scheme allows you to dedicate a tree to celebrate a special event, or to gift to a special someone, or in honour of a loved one. Or just because, like us, **YOU LOVE TREES!**

It's easy to participate – call us for more information on **01425 619120** and we'll talk you through the process.

You'll be able to choose a tree from our list, identify a location, make the payment, and we'll plant the tree and look after it for you!

We'll also let you know when the tree is planted and then issue you a certificate.
