	p M Craze	V Schoolin
	p S Davies	p M Scott-Johns
	p W Davies	p K Trehorn
	p D Hawkins	R Maynard

45. TOWN DEVELOPMENT MANAGERS REPORT

The Town Clerk referred to the Town Development Manager's Report which had been issued today following a Green Loop meeting this morning.

Cllr S Clarke who had been at the meeting advised that there had been a useful discussion and that the Loop has been extended and is now 16km long as opposed to the previous 10km. The plans are out for consultation and the spokes need to be produced. The Loop can be joined at any point.

Cllr G Blunden added that the Green Loop meeting had focussed on existing paths and routes that are available now, rather than any paths which need improvement. He said it would be a valuable asset encouraging people to walk safely around the town and it could encourage people to walk rather than drive.

Cllr S Clarke said that once it's approved, there will be a role for the Communications Officer in publicising the Green Loop and encouraging people to use it. Cllr D N Tungate offered to walk the route to try it out and requested a map. Cllr G Blunden rounded up by saying that several parts of the route are already being enhanced.

It was

RECOMMENDED:

That the extended Green Loop be referred to Amenities with a map.

Subject: NP Green Loop
Attachments: NMNP Review Green Loop.pdf

Dear Chiara,

Further to our meeting this morning I have amended the plan as attached, hopefully the amendments are as discussed:

- Ballard meadow – show the route through Ballard Wood
- Great Woar Copse – reroute through Doe Copse Estate on the PROW
- Walkford Lane – show the route continuing south on the adopted highway – clip below of adopted highway extents in this area as we discussed
- Crooked Lane, Caird Avenue, etc – I've shown the route along Becton Lane as that is a better walking route than Milford Road, linking to Ashington Park, the back of Tesco to Carrick Wood, I've also shown a slight alternative (in blue), connecting Carrick Wood to Ashley Rec, as a greener lower trafficked route, for you to consider

 Proposed Green Loop

Christchurch Bay

CIL Bids received August 2025

In total, 86 bids were received during the recent CIL bidding window between June and August 2025
